

Denison ISD Prekindergarten Department Family Engagement Plan 2018-2019

The Denison ISD Prekindergarten Department will create a partnership among our families, schools and community for the successful transition into kindergarten. We believe it is the mutual responsibility of families, schools, and communities to build relationships that support student learning and achievement, family well-being, and the continuous learning and development of children, families, and educators.

Definitions of Family and Family Engagement: (HB4)

Family:

Family includes adult and children significant in the child's life who support the early learning and development of the child.

Family Engagement Definition:

Family engagement is the mutual responsibility of families, school, and communities to build relationships to support student learning and achievement and to support family well-being and the continuous learning and development of children, families, and educators. Family engagement is fully integrated in the child's educational experience and supports the whole child and is both culturally responsive and linguistically appropriate.
